IN MEMORY OF
ROBERT FORBUSS

The Taxicab Authority along with the rest of the community suffered a tremendous loss on August 13, 2012 when former board member, businessman, and friend Bob Forbuss passed away.

Bob Forbuss served this board from July 2007 until January 2011. His foresight, experience, guidance and genuine decency will be missed.

We are thankful for his service, for his friendship and we will strive to continue the vision he set.

ROBERT FORBUSS:

The staff of the Nevada Taxicab Authority joins with the citizens of Nevada in mourning the loss of former Taxicab Authority Board member Robert "Bob" Forbuss.

Mr. Forbuss proudly served on the Nevada Taxicab Authority Board for three and a half years, when he stepped down to continue his fight with ALS (Lou Gehrig's Disease); tragically, that fight was lost on **13 August 2012**.

He will be forever remembered as a champion of technology and superior customer service; he truly embraced the expectation that the taxicab industry in Southern Nevada should be the envy of the world. The Nevada Taxicab Authority staff will remember Mr. Forbuss as a visionary, with a plainspoken sense of fair play.

We are grateful for his compassion, leadership, and commitment; he will never be forgotten by those that had the privilege of knowing him.
